

How to Study best for your **LEARNING STYLE**

VISUAL

- * Make mind maps using lots of colour
- * Make flashcards that are bright and interesting
- * Colour code your flashcards for each subject
- * Make your acronyms and mnemonics into artworks

AUDITORY

- * Record your notes on your phone and listen to them
- * Turn your acronyms and mnemonics into a rhyme, rap or song
- * Explain the stuff you need to learn to a friend or family member
- * Choose a piece of information, then turn around and say it out loud three times

KINAESTHETIC

- * Draw mind maps, standing up
- * White out, cut and glue
- * Rehearse information and quotes whilst walking or pacing the room
- * Paint, sculpt, mould, experiment, create different ways of learning
